

"It's like family here....."

To Pastors and Supporting Churches:

My name is John Horn. I am the Pastor of Lighthouse Baptist Church. We are the sending church for Bro. Jason Mann and his family. They are missionaries to Macedonia and we are very pleased and honored to be their sending church.

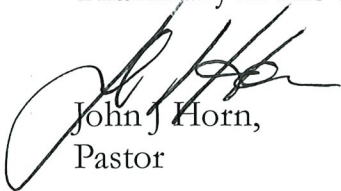

We have known the Mann family and have supported them for many years.

The Mann family were faithful Missionaries to Hungary and were serving in that capacity with an excellent effort and spirit. Their labors were consistent and their desire to see souls saved and to plant a New Testament Baptist Church in Hungary was their passion. As sometimes happens in our mission, circumstances, as allowed by the Lord, made it necessary to make a transition to the US. This was a difficult decision but absolutely the right decision in order to care for a temporary need for his family.

Bro. Jason has not stopped for one minute in his pursuit of Church Planting and Missionary support to the network of Missionaries throughout Europe. We have communicated regularly regarding ongoing activities and planning for the advancement of Church Planting in Macedonia.

I encourage you to continue supporting the Mann family as they follow the Lord's leading in Church Planting in Macedonia. If you do not currently support the Mann family, please consider taking them on soon. Are you, or do you know anyone, currently supporting any Independent Baptist Church planters in this country of two million souls?

Thankfully in His Service,

John J. Horn,
Pastor
